SENIOR WARDEN Tim Carroll BA, MBA, FCII

Family

Tim married Sylvia in 1981 and has two grown-up children, Vincent and Lisa.

Education

Tim graduated from University College Dublin with a BA in Economics, Politics and Statistics and began training for his insurance career in London in 1976. By 1981 he had attained both associateship and fellowship of the Chartered Insurance Institute and in 1986 obtained his MBA from University College Galway. He relocated to London in October 1988 and has resided in the UK ever since apart from an expatriate assignment in Chicago between 2002 and 2004.

Career

Tim is an international business leader with significant London Market and Lloyd's experience, including roles as CEO of Swiss Re's UK holding company, CEO Europe of GE Insurance Solutions, President and CEO of GE Reinsurance Inc in the USA and Active Underwriter of Canopius Syndicate 4444 at Lloyd's. He has held a number of industry positions, including Chairman of the International Underwriting Association and President of the Insurance Institute of London. He currently holds a number of non-executive chairman and director appointments, all within the insurance industry.
