

iEngage Associate Programme

Candidate Application

Programme Summary

The WCI iEngage Associate Programme enables potential applicants first-hand experience to the WCI and discover what the value future membership can offer. Due to limited associate spaces available we ask those applying to consider if they may be ready to apply as a full member to allow the affordable opportunities to those who need them.

What is included?

Over a two-year period, in the first year Associates will be gifted a ticket to one of our monthly lunches and one ticket to the Winter lunch event in the second year. Associates will have access to regular networking opportunities with other WCI members and attendance at paid events will be available.

What happens after?

After the two-year period, Associates have the option of joining the WCI as a member and being admitted as a Freeman of the City of London. If you are ready and able to progress to a full member before your two years are complete please do to allow us to reallocate the space.
